INTRODUCTION

MARSHEL

MARSHEL is an NGO which is a subcommittee of Nekh Raah Foundation that works for the wellbeing of society. MARSHEL provides platform for youth to display their ideas and thoughts towards social wellbeing.

MARSHEL provides a stage for students to enhance leadership quality, take up co-curricular activities, and enhance interpersonal skills.

The founder of MARSHEL is “Mr Ruman Sait U”, currently an active committee member serving as the honorary President, who envision to bring a change in society and inculcate humanitarian attitude in every youth.

GUPHS Khazimakan is an adopted by Nekh Raah Foundaion located in Hosakote Bangalore Rural for development of the school in terms of Education and Infrastructure.

Nekh Raah Foundation is a charitable Trust located in Hosakote in work of social cause. MARSHEL collaborated with Nekh Raah Foundation with a resolution passed by the Board Of Trustees as a subcommittee of Nekh Raah Foundation.

AICTE ACTIVITY GUIDELINES

AICTE (All India Council for Technical Education), Every regular student who is admitted to a 4 year degree program is required to earn 100 points in addition to academic grades for the completion of their degree program and to attain their certificate of completion.

AICTE advocates 300-400 hours of activity program for each degree student towards community service and allied activities.

A student can opt for any activity within the stipulated list of activities as prescribed by the AICTE to earn their activity points.

Every student is supposed to earn 20 points in each semester, serving for a duration of at least two weeks. These activities can spread over duration 4 years as per convenience.

PLANNING AND EXECUTION

The overall planning and execution were carried out by Marshal Committee as the following;

- We visited “Higher Primary school Khazimakan” and requested The Head Mistress to allow us conduct AICTE activity and help us coordinate the execution effectively.

- We released an online registration form for volunteers (students) to willingly participate in the activities. Around 45 students from various colleges like **MVJ College of Engineering, ACS College of Engineering, New Horizon College of Engineering, MS Ramaiah Institute of Technology, BR Ambedkar Institute of Technology and Dayanandsagar college of Engineering** had registered through the form.
- We announced the activity dates and location and informed students to assemble at NRF office at around 9am every day from 24/07/2021 to 30/07/2021. The students were briefed about the activities and instructed to strictly abide by the pandemic regulations. After all the primary instructions, we guided the students to the activity location (Government Urdu Higher Primary School Khazimakan).
- Honorable Mr. Kanhaiya (Block Education Officer), Head Mistress along with the teachers of Higher Primary School Khazimakan and NRF Board of Trustees were present on the day of activity. At around 10am we had a group photo session with the dignitaries and all others present there.
- The activity was commenced by cleaning the premises of the school which included picking up trash, plucking out

weeds, shaping the trees and giving a proper outlook to the school ground with the help of appropriate tools. Students also organized the messy classrooms and cleaned the grimy restrooms. This was then followed by the plantation activity.

- We invited **Mr. Kanhaiya**, Block Education Officer to accord us with his esteemed presence to inaugurate the activity on 30/07/2021.

- The activity was carried out in **Two** phases:
 - Morning phase (10am-12pm): Students carried out the activity of Cleaning and Plantation.

- Afternoon phase (1pm-3pm): Students were divided into groups of five to carry out door to door survey in the residential area surrounding the school Jurisdiction.

PLANTATION ACTIVITY

- The organizing members informed the Jadigenahalli Forest Department about the activity and requested them to allow us to take few plant saplings.
- They were kind enough to give us around 60 various saplings of plants like Fig plant, Berry, Jackfruit, Mango, Ashoka, Silver oaks, Papaya, Guava etc.
- All the saplings, tools required to plant and other necessary items were brought to the activity location. Students planted around 50 saplings in and around the school campus and imparted Environmental awareness among students and locals of Khazimakan.
- Plucking out weeds, shaping the trees and giving a proper outlook to the school ground with the help of appropriate tools.
- The students of Higher Primary School Khazimakan along with other locals received our initiative positively and assured us of the safe keeping of those plants and also plant few themselves.

SURVEY

The primary objective of the survey was to promote and increase the number of admissions in government schools. Students (Social Ambassadors) interacted with the locals about their education practices and guided them about the importance of education. Students also encouraged the locals to admit their young ones into government schools as all facilities from stationary to food is provided without much expense or even for free.

The students were able to cover a very large area around the school and successfully managed to extract details from about 500 houses. The school appreciated the efforts and were very pleased to have endeavoring and enthusiastic students for successfully planning and executing the activity.

CONCLUSION

Marshel committee planned and executed AICTE activity in Khazimakan, Hosakote taluk with the help of all our Social Ambassadors.

Our main objective was to create environmental awareness among students, and we successfully achieved that by planting saplings and educating students and local about the importance of it.

We also worked on the objective of promoting admissions in government schools by guiding the residents about the significance of educating their children and thereby assisting their young ones to have a bright and successful future.

We heartly thank our respected Mr. Kanhaiya (Block Education Officer) from Hosakote for his honorable presence and inspiring words and the Headmistress of Khazimakan GHPS for complete support throughout the activity. We also thank our Social Ambassadors and Volunteers for coordinating and helping us in making this event a grand success.

Thank You
